Icon Guidelines

Use the approved mark as supplied and vary only the export format and size.

DO

- Scale the approved mark proportionally.
- Preserve transparency and internal spacing.
- Test on light and dark backgrounds at 16/24/32 px.
- Use the same mark for the app and installer.

AVOID

- Text, rings, arrows, or borders in the mark.
- New effects or different colors.
- Distorting, rotating, or mirroring the mark.
- Using JPEG for the transparent mark.
